

CENTRAL SERVICES COST ALLOCATION PLAN

County Manager

Nature and Extent of Services

The County Manager is responsible for implementing policies set by the Mayor and Board of County Commissioners and overseeing and managing all departmental activities.

The functions and services performed by the County Manager benefit all County departments, as well as federal, state and other grant activities. Costs incurred by this subpool have been distributed to all benefitting County departments, divisions and programs on the basis of actual salary costs (divided by 1000).
